# WELCOME MESSAGE

We are delighted to extend a warm welcome to you from our distinguished civil construction company, proudly registered with the Central Public Works Department (CPWD). With a legacy of excellence and a profound understanding of project design and execution, we stand as a beacon of quality and innovation in the construction industry.

At our core, we believe that construction is an art that merges science, technology, and creativity. Our team comprises seasoned professionals who bring a wealth of experience in the realm of civil engineering. With each project we undertake, we weave together expertise, precision, and a commitment to turning architectural dreams into tangible reality.

Having been approved and recognized by CPWD, we adhere to the highest standards set forth by the government, ensuring that every project we embark upon is executed meticulously and transparently. Our association with CPWD speaks volumes about our dedication to quality, ethics, and compliance.

Thank you for considering us for your construction endeavors. We look forward to the opportunity to turn your vision into a living, breathing testament of architectural brilliance.

Warm regards,

Tariq Anwar Khan

Founder & Managing Director

## What is Tariq Anwar Projects?

Tariq Anwar Projects is an Indian company registered with CPWD incorporated in 2023. The company offers Engineering Construction Fabrication and EPC of renewable energy like Solar energy system.

Tariq Anwar is dedicated to organizations or Individuals seeking construction services.

## We provide engineering construction services

to CPSE, CPWD, State PWDs, state municipalities, and commercial/ residential real estate developers.

Our area of expertise includes but not limited to building technology, civil and structural engineering.

We are committed to providing the best possible construction expertise & service to ensure cost effective and successful projects.

We work closely with our clients to accurately interpret their dreams/visions in drawings and bring them to the desired reality through construction solutions to meet their needs; We communicate with our clients throughout the construction process to keep them informed of progress and to ensure that our project keeps on schedule and within budget.

# MEET THE CORE TEAM

**Tariq Anwar Khan**  
Founder & MD

Mr. Tariq Anwar Khan has high experience managing all aspects of the company operation and construction process including subcontractor management, submittals, scheduling, tendering, project closeout, field supervision, and safety.

Mr. Khan is responsible for planning, directing and coordinating activities of designated projects to ensure that goals of these projects are accomplished within prescribed time frame and funding parameters. Mr. Khan received his Bachelor of Technology Degree from the TMU in Mechanical Engineering.

Abdul Qadir holds a Master's in Disaster Management from Punjab University and B.Tech. in Instrumentation Engineering from HNB University. He specializes in remote sensing, GIS, disaster management, and environmental sustainability. Passionate about renewable energy, especially solar power, Mr. Qadir uses his technical and management skills to lead industrial projects that promote community development and sustainability.

He believes that “Solar energy is the future and a necessity for future generations,” and is dedicated to advancing clean energy solutions.

**Abdul Qadir**  
Director Renewable Energy

**Harish Saxena**  
Sr. Civil Consultant

Harish Saxena, a distinguished and accomplished Chartered Engineer, holds the esteemed designation of Senior Civil Consultant. With a career spanning several decades, Harish has consistently demonstrated a remarkable aptitude for engineering and a deep commitment to excellence in the field of civil engineering. His expertise and innovative approach to complex engineering challenges have made him a valuable asset in a wide range of projects. Harish Saxena's contributions have not only earned him professional recognition but also solidified his reputation as a trusted authority in the realm of civil engineering and consulting.

Farman Saifi is a Mechanical Engineer with experience in Project Management. As a Director (Engineering), Farman is responsible for planning, organizing, developing and implementing schedule of the project. He is involved with everyone associated with all projects of the company to ensure the overall success, during and after the project has completed. Farman received his Master of Technology(M. Tech) Degree from Jamia Millia Islamia, New Delhi in Mechanical Engineering.

**Farman Saifi**  
Co-Founder & Director (Engg.)

Dr. Azfar Ahmad is a highly accomplished professional with a distinguished background in heritage management, business development, and conservation. He submit his Ph.D. from Jamia Millia Islamia, he brings over 17 years of extensive experience to his work.

Dr. Ahmad's expertise is marked by his significant contributions to the fields of heritage preservation and business development. His dedication to conservation initiatives and his profound understanding of the complexities of heritage management make him a prominent figure in his field. Dr. Azfar Ahmad's work and knowledge have had a lasting impact on the preservation of cultural and historical treasures.

**Dr. Azfar Ahmad**  
Heritage Management and  
Conservation Professional

**Akhlaq Ahmed**  
Architectural Consultant

Akhlaq Ahmed is a skilled architect who earned his Bachelor of Architecture degree from Jamia Millia Islamia in New Delhi. With a passion for creating innovative and aesthetically pleasing designs, Mr. Ahmed has honed his expertise in the field of architecture through rigorous academic training. His education at Jamia Millia Islamia has provided him with a strong foundation in architectural principles and a deep understanding of the industry.

**WE  
BELIEVE  
IN AND  
PROMOTE  
QUALITY  
DELIVERY**

## **Our Vision**

A regional market leader in provision of civil engineering and building construction services

## **Our Mission**

We aim to be a world class engineering Construction Company providing efficient affordable, sustainable, cost effective services of highest level of quality.

## **Our Values**

We believe in maintaining the highest standard of professionalism, integrity, creativity, positive attitude, delivery that meets and surpass expectations while offering prompt and lasting solutions that stand the test of time.

## CIVIL ENGINEERING STRUCTURES AND ROADS CONSTRUCTION

Tariq projects offers a wide range of civil and structural engineering construction ranging from steel structures erections, reinforced concrete structures and road construction in gravel, paving blocks, concrete, bitumen roads and associated drainage structures.

## BUILDING CONSTRUCTION

We also pride ourselves of vast experience in the building industry where we have constructed both high-rise and low-rise residential buildings, commercial buildings and also institutional buildings.

## MECHANICAL AND PIPING

Tariq Anwar Projects services division offers turn-key solutions for industrial piping application and equipment installation.

Our skilled field personnel has proven experience in the engineering, construction, and fabrication of specialized mechanical and piping system for institutional and commercial construction.

## STORAGE TANKS REPAIRS AND MAINTENANCE

Tariq Anwar Projects is a leading contractor in tank engineering, fabrication, construction, modification, maintenance, and repair as well as relocation of above ground storage tanks and specialty vessels.

Our capabilities cover a full spectrum of services associated with the atmospheric and pressurized tanks for liquid, gas and bulk storage, and turnkey terminals.

## FABRICATION

Tariq Anwar Projects delivers comprehensive, integrated design, procurement, and construction. Our flexible approach to fabrication solutions greatly improves capital efficiencies in a variety of industries.

We are one of the industry's leading providers of structure, piping solutions, storage tanks and vessels for the oil and gas, water and wastewater, and power generation industries.

## ADVERTISING SIGNAGE

We are in the business of enhancing and maximizing brand recognition through Visual merchandising and Signage solutions. Today, we pride ourselves as a complete one stop shop for anything Branding and Signage.

## HEATING, VENTILATION, AND AIR CONDITIONING (HVAC)

Tariq Anwar Projects as the reputed HVAC turnkey contractor providing complete solution for Air Conditioning, Air cooling & Ventilation for Hotels, Restaurants, Office Spaces, Institutes, Hospital & Industrials projects.

## SOLAR POWER SYSTEMS

Harness the sun's energy with our cutting-edge solar power systems. We offer tailored solar solutions that maximize efficiency and savings, ensuring a sustainable and eco-friendly energy source for your home or business.

**Subject:- Implementation of the E.S.I. Act, 1948 and Registration of Employees of the Factories and Establishments under Section 1(5) of the Act, as amended.**

Dear Sir(s),

1. It is informed that under section 1(3) of the esi. act, 1948 is applicable to all factories/establishments covered under the act within the area where your factory/establishment is situated
2. It is further informed that the appropriate government has extended the provisions of the act to other establishments under section 1(5) of the act in this area
3. Under section 2 a of the act such a factory/establishment is required to register itself under the act and chapter iv thereof casts a responsibility on the principal employer thereof to get his employees registered and pay contributions in respect of these employees covered under the act.
4. On the basis of the particulars in respect of your factory/establishment submitted by you, the report of the inspection conducted by the Social Security Officer, who inspected your establishment on -NA-, your establishment falls within the purview of Section 1(5) of the Act with effect from 04-10-2023. In case, however, subsequent facts reveal that your establishment was coverable from a date prior to the date mentioned above, you shall make yourself liable to comply with the provisions of the Act from such earlier date.
5. It is requested to take immediate steps for registration of your employees by submitting declaration forms online, payment of contribution, maintenance of records etc. from the date of coverage of your factory/establishment under the act. \*\*You are also requested to submit employer's registration form (form 01) as required under the provisions of sec.2-a of the esi act, 1948 read with regulation 10-b of the esi(general), regulations, 1950.
6. For the sake of convenience your establishment has been allotted code No **30001003370000999** which may kindly be used in all communications sent to this office and on all forms at the place indicated for the purpose. The Branch Office of the Corporation situated at **Opp. Kunwar Cinema, Union Bank Building, Station Road, Buddha Bazar, Moradabad-244001** has been instructed to render necessary assistance to you in connection with registration of your employees. In case you find any difficulty or for any other purpose which may be necessary in connection with the Scheme you are requested to contact the Manager of the above Branch Office who will render necessary help in the matter.
7. A State wise list of ESI Dispensaries is available on our website [www.esic.nic.in](http://www.esic.nic.in) under the link Directories which can be downloaded. It is requested that publicity may be given about the Employees' State Insurance Dispensaries to enable your employees to choose their E.S.I. Dispensaries
